Psychologist Ambica Sharma is presenting

A screenshot of a presentation slide. The slide has a blue header with a wavy line. The main text reads: "A personality means individual's behavior, style, characteristics, attitude, mindset and the perceptions along with the unique way to see the things around. Going forward and getting succeeded in any task - may it be a career path, achievement of short and long-term goals, academic education, any profession; it holds true and applied equally to all the things". Below the text is an image of silhouettes of people in various dynamic poses against a sunset background, with the word "Achieve" written below it. The presentation is being viewed in a browser window with a Windows taskbar at the bottom.
