*In the age of COVID 19-
How you see
A hope in times, unknown,
unseen-
When Jack and Jill are praying
To get back
To all work and some playing.*

*Give your imagination
A creative flight*

*In times of this strange plight-
Either in verse, or of it be free
In the age of decree
That is "Social Distancing"*

*Let your thought
Be not of the limited lot -
You are free to choose
Your muse -
Dohe, Haiku or Ghazal
Rubai, Shlok or Nazam
Send us just one poem-
That does evoke
Your creative thought.*

*Be a part of our mission
To commission,
In young souls -
The spirit of resilience
And poetic wings
that strive
Towards excellence
Of empathy and such things.*
