

🌸 Seven-Day NSS Winter Camp Concludes with Enthusiasm and Community Spirit at Government Degree College Bishnah 🌸

To raise public awareness and sensitize society about contemporary issues, the NSS Unit of Government Degree College Bishnah successfully organized a seven-day Winter Camp from **9th to 15th February 2026** within the college campus. The camp witnessed active participation, community outreach, and meaningful engagement from student volunteers.

The camp commenced on the first day with the registration of **43 enthusiastic NSS volunteers**, followed by an inaugural session marking the beginning of a week filled with learning and service. 🌱

On the **second day**, the volunteers carried out a cleanliness drive at a nearby Shiv Temple 🏪. They cleaned the temple premises, swept the surroundings, and helped organize the area. The temple priest appreciated their efforts and distributed *prasad* as a token of gratitude.

The **third day** began with the morning assembly, after which volunteers visited Boys' Higher Secondary School, Bishnah, to engage students in a discussion on **“Viksit Bharat”** IN. The interactive session encouraged school students to share their ideas, while NSS volunteers contributed valuable insights on national development.

On the **fourth day**, the team visited SIRS School for a thought-provoking discussion on **“Nasha Mukta Bharat”** 🚫. School students presented creative models highlighting the harmful effects of addiction, and NSS volunteers elaborated on its causes, prevention, and the importance of a drug-free society.

The **fifth day** featured a Medical Camp 🏥 organized at the college campus. A team of doctors conducted health screenings for NSS volunteers, college staff, and students, as well as staff and students from nearby higher secondary schools. Medicines were distributed and essential health advice was provided.

On the **sixth day**, a rejuvenating Yoga Session 🧘 was conducted by Pt. Yashpal Khajuria from Patanjali, who guided participants on incorporating yoga into their daily routines for a healthier lifestyle. This was followed by a vibrant Rangoli Competition 🎨 based on the theme of **AIDS awareness**, spreading messages of prevention and social responsibility.

The camp concluded on the **seventh day** with a grand Valedictory Function 🎉. The ceremonial lighting of the lamp was performed by Principal **Dr. Shallu Samyal**, followed by the NSS song. Volunteers presented a traffic awareness skit 🚗 and a mobile addiction skit 📱, spreading powerful social messages. Two volunteers also captivated the audience with a melodious song 🎵.

The programme concluded with the distribution of medals and certificates 🏆 to all volunteers in recognition of their dedication and service. In her address, Principal Dr. Shallu Samyal applauded the volunteers for their sincere efforts and encouraged them to apply the lessons learned during the camp in their continued service to society.

The entire camp was meticulously organized by **Dr. Geeta Lakhotra, NSS Programme Officer**, under the able guidance and administration of Principal Dr. Shallu Samyal.

The Winter Camp truly reflected the spirit of NSS — *Not Me, But You* — fostering leadership, responsibility, and community engagement among the youth. 🌸
