

Special programme on tricolour held at GDC Bishnah

A special program on the Tricolour was conducted by the NSS 1st Wing. On 5th August, the wing organized a program on the history of the National Flag by screening a documentary on the Tricolour. This was followed by a quiz. A total of 70 students watched the documentary, and out of them 15 students participated in the quiz. The Principal, Dr. Shalu Samyar, was also present on the occasion. She blessed the students and encouraged them to learn about the Tricolour and to spread awareness about its importance in our country. Many students enthusiastically expressed their views on the significance of the Tricolour. They also assured the college committee that they would help in spreading general awareness about the National Flag.
